

Joint Winter Schedule of Aberdeen Outdoor Talks, Autumn/Winter 2020

16 September 2020

To discover the Zoom (or Teams) meeting procedure, non-members should try the website or email identified in Notes, at least 24 hours beforehand.

RSGS is offering talks via Eventbrite more or less weekly; those listed below are the “Aberdeen” dates. RSPB is not advertising its talks outside its own membership, but tonichilton@btinternet.com may be contacted for information. For talks (if any) by the Friends of the Cruickshank Botanic Garden (FCBG) and Saltire Society, try k.mathew.14@aberdeen.ac.uk and jdamacartney@btinternet.com respectively.

For talks in 2021, a further Joint Schedule will be issued towards the end of 2020.
