

Joint Winter Schedule of Aberdeen Outdoor Talks

To discover the Zoom (or Teams) meeting procedure, non-members should try the website or email identified in Notes, at least 24 hours beforehand.

RSGS is offering talks via Eventbrite more or less weekly. RSPB is not advertising its talks outside its own membership, but tonichilton@btinternet.com may be contacted for information. For talks (if any) by the Friends of the Cruickshank Botanic Garden (FCBG) and Saltire Society, try k.mathew.14@aberdeen.ac.uk and jdamacartney@btinternet.com respectively. A further Joint Schedule will be issued towards the end of 2020.
